

Caso clínico Clinical Case 15

Rehabilitación superior con implantes Galaxy
y pilar transepitelial Basic

/ Implant-supported fixed prosthesis using Galaxy
and Basic

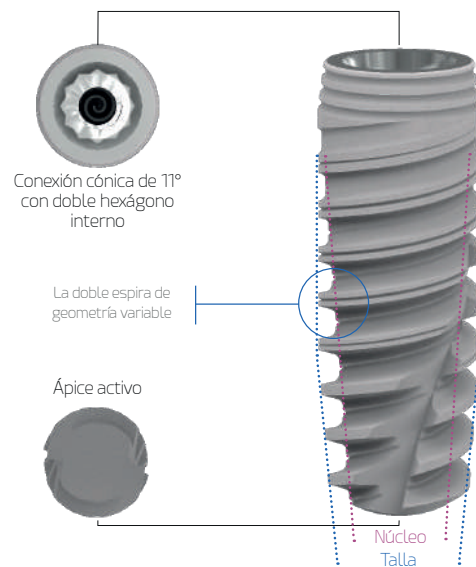

Colaboración / Collaboration:

Dr. Luis Sepúlveda

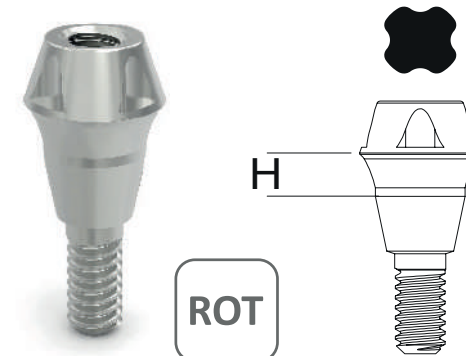

Madrid - España

Género: Masculino
Tratamiento: Prótesis fija
implantosoportada superior
Productos: Implantes Galaxy®
y pilar transepitelial Basic®

Gender: Male
Treatment: Upper fixed
implant-support prosthesis
Products: Galaxy® implants
and Basic® abutment

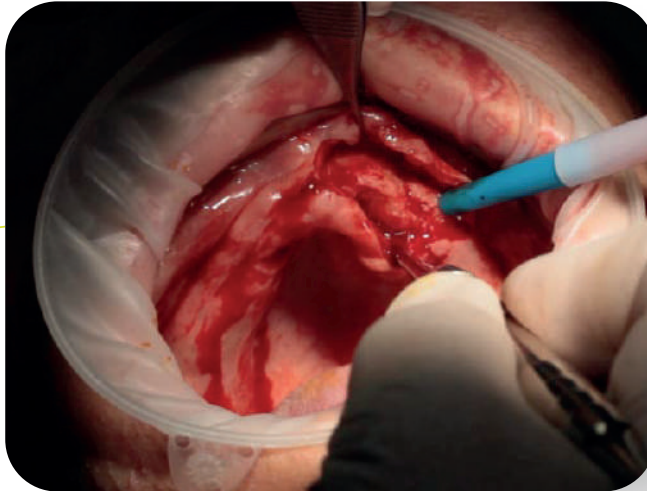

Pilar Basic*

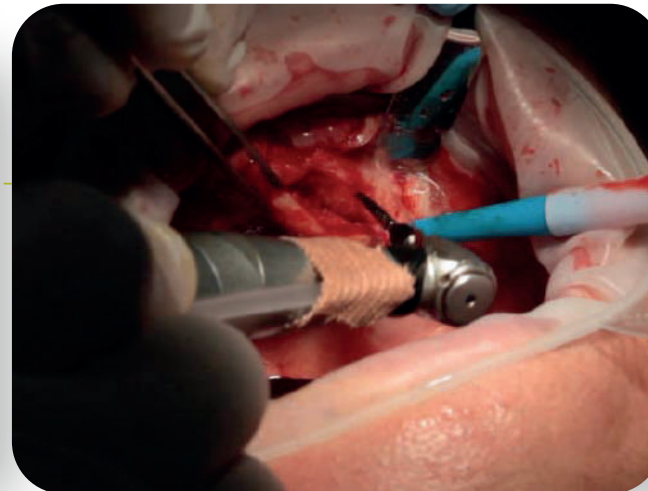

*Más información en su catálogo

FASE QUIRÚRGICA: COLOCACIÓN DE CUATRO IMPLANTES GALAXY EN MAXILAR
/ SURGICAL PHASE: PLACEMENT OF FOUR GALAXY IMPLANTS IN THE UPPER JAW

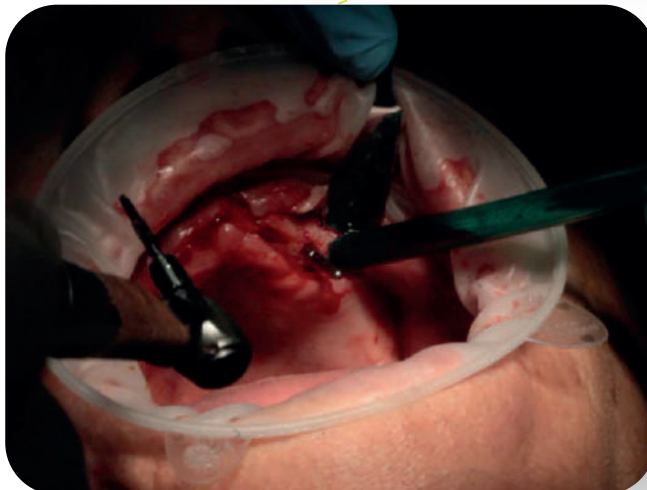

Levantamiento de colgajo
/ Flap reflection

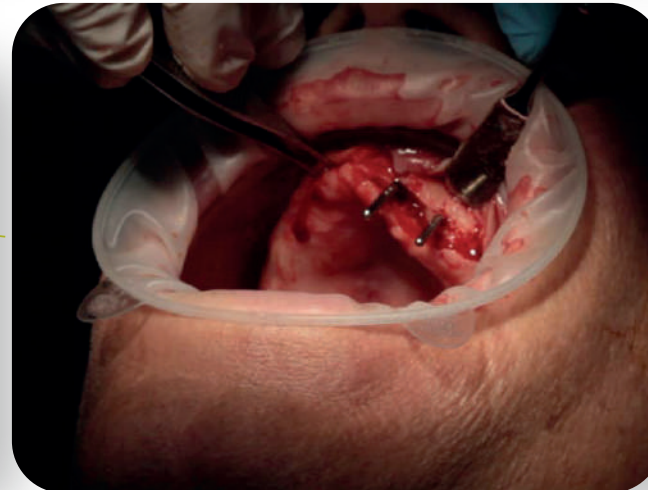

Secuencia de fresado
/ Drilling sequence

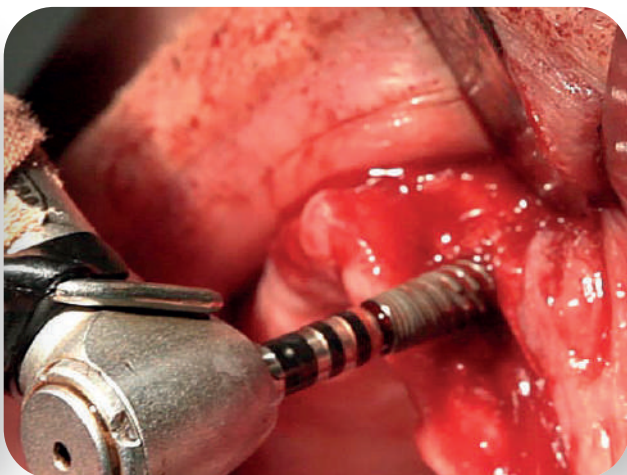

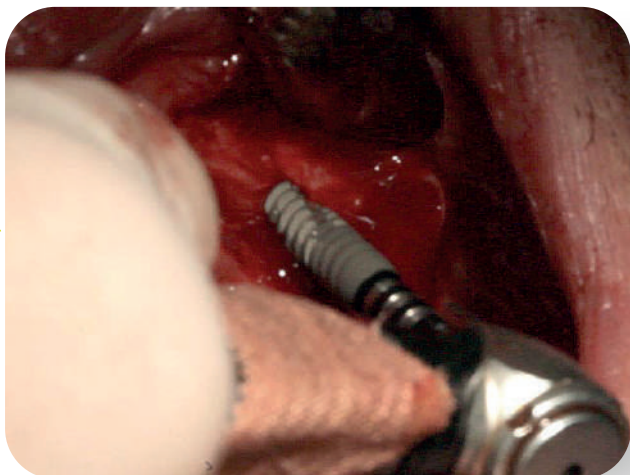

Pin de paralelismo
/ Parallelism pin

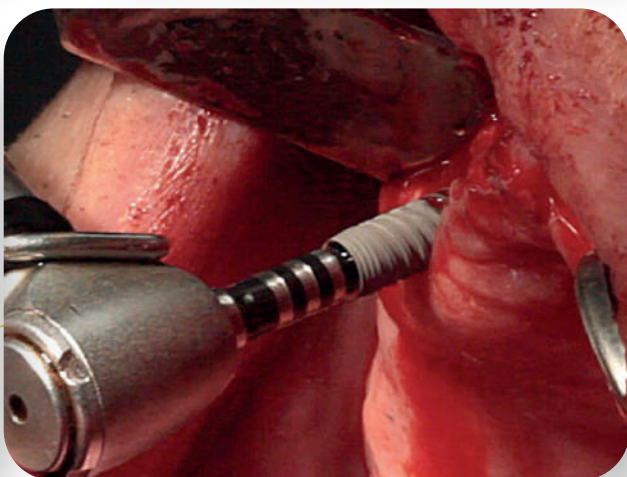

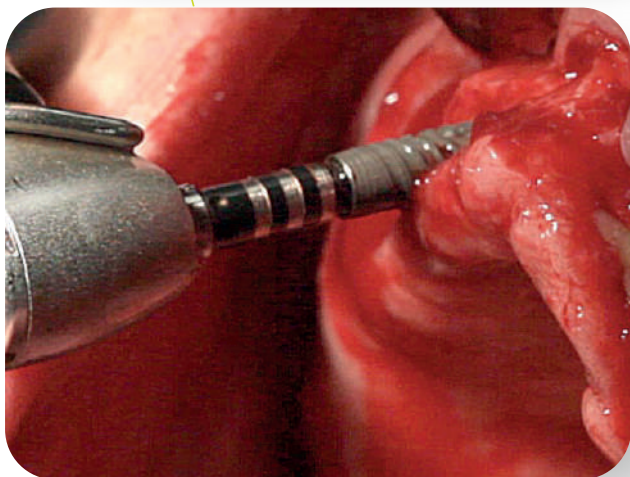

Evaluación del paralelismo
/ Parallelism evaluation

FASE QUIRÚRGICA: COLOCACIÓN DE CUATRO IMPLANTES GALAXY EN MAXILAR
/ SURGICAL PHASE: PLACEMENT OF FOUR GALAXY IMPLANTS IN THE UPPER JAW

Inserción mecánica de los implantes / Contra-angle implants placement

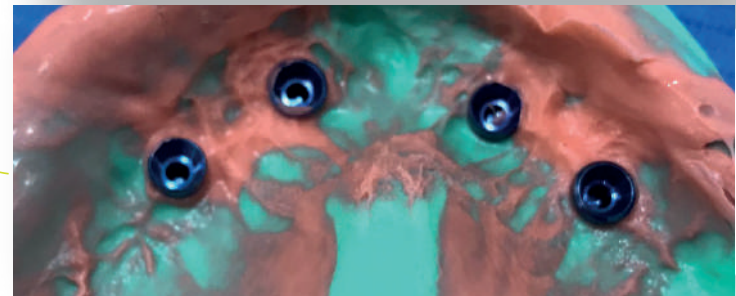

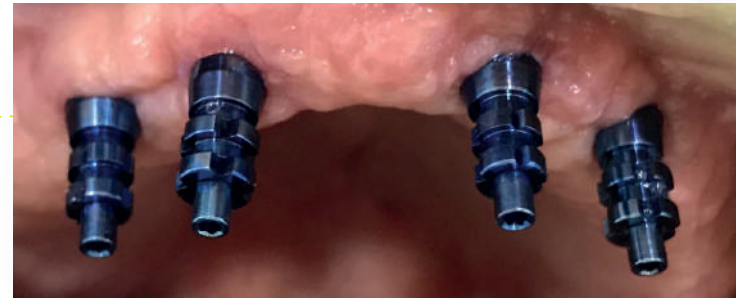

Sutura / Suture

**FASE PROTÉSICA: REHABILITACIÓN SUPERIOR SOBRE PILARES TRANSEPITELIALES BASIC
/ PROSTHETIC STAGE: UPPER REHABILITATION WITH BASIC TRANSEPITHELIAL ABUTMENTS**

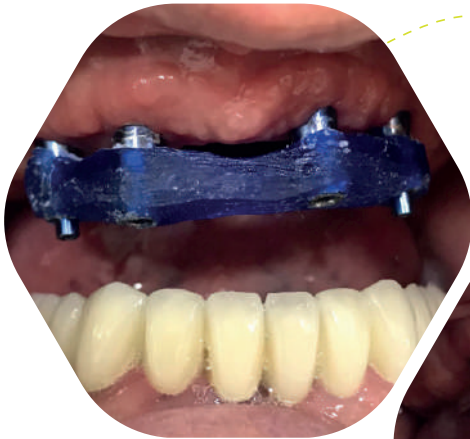

Segunda fase - Colocación de pilares transepiteliales Basic y pilar de cicatrización /
Second stage - Basic abutments with healing caps

Toma de impresión con técnica de cubeta abierta y ferulización de los pilares de impresión
/ Open tray impression technique with splinted impression abutments

FASE PROTÉSICA: REHABILITACIÓN SUPERIOR SOBRE PILARES TRANSEPITELIALES BASIC
/ PROSTHETIC STAGE: UPPER REHABILITATION WITH BASIC TRANSEPITHELIAL ABUTMENTS

Verificación de pasividad
antes de realizar la
estructura metálica de la prótesis
/ Passive fit test before prosthesis
framework fabrication

Evaluación clínica de la estructura
metálica de la prótesis
/ Clinical evaluation of
the prosthesis metal framework

Prueba de dientes
/ Teeth try-in

Prueba clínica de la barra. Entrega de prótesis final
/ Metal try-in. Prosthesis final check
